Director of Central Catholic High School

Expansion and progress — these two words express specifically the aim of the founders and administrators of Central Catholic High School. During the twenty-three years of its existence its leaders and administrators have worked consistently to provide facilities which enable the faculty to give the students the best in religious, academic, social, and physical training. Their achievements have received the approbation of local, state, and national organizations and leaders in every field of education.

SOMETHING YOU SHOULD KNOW . . . . .

Central Catholic High School has always considered four elements essential to the education of the whole man — the indispensable pillars of religious, intellectual, social and physical pursuits. Basically, religion is the most important; and its ethical and moral teachings are integrated with the other three, to produce a mature and truly Christian individual.

The Priests and Religious Teachers, weekly Mass, Retreats, and devotions to our Blessed Lady create a religious atmosphere around the school, which provide the spiritual assistance so vital to the student during high school life, and establish a criterion to follow as a citizen when school days are ended.

Ecce Agnus Dei

# *Watch the Students in Classrooms and Laboratories*

There follows upon the moral development of the individual, the primary purpose of any high school, the training of the mind along intellectual lines, so that the student may think correctly and converse intelligently. This ideal is emphasized in every department of Central Catholic, whether the student be enrolled in the Academic, Commercial, General, Home Economics, or Industrial Course. Long hours are spent in the classrooms, laboratories, library, and study halls. The final product desired is a mind alert and polished by the acquisition of new knowledge. These long hours with books may seem futile and discouraging at times, but the discouragement is tempered by the realization that only thus can a thorough Christian education be achieved.

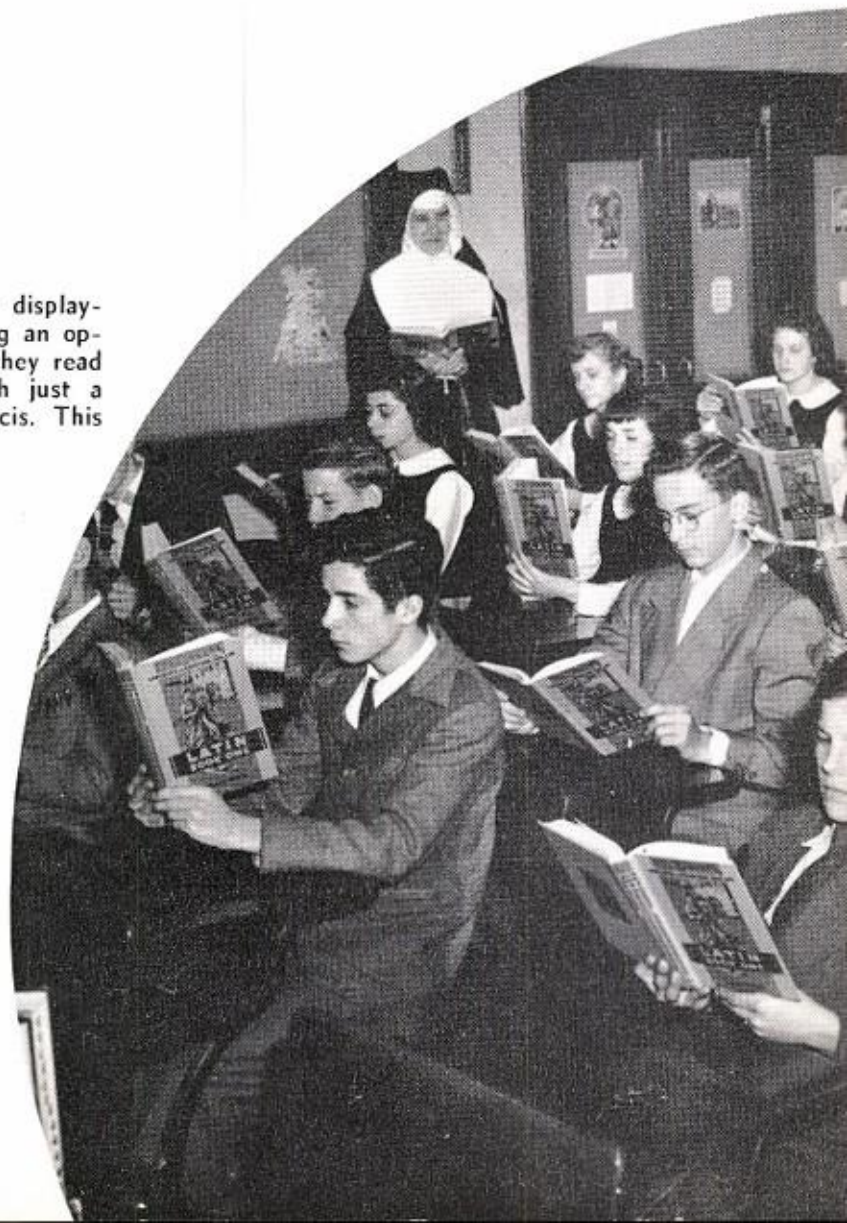
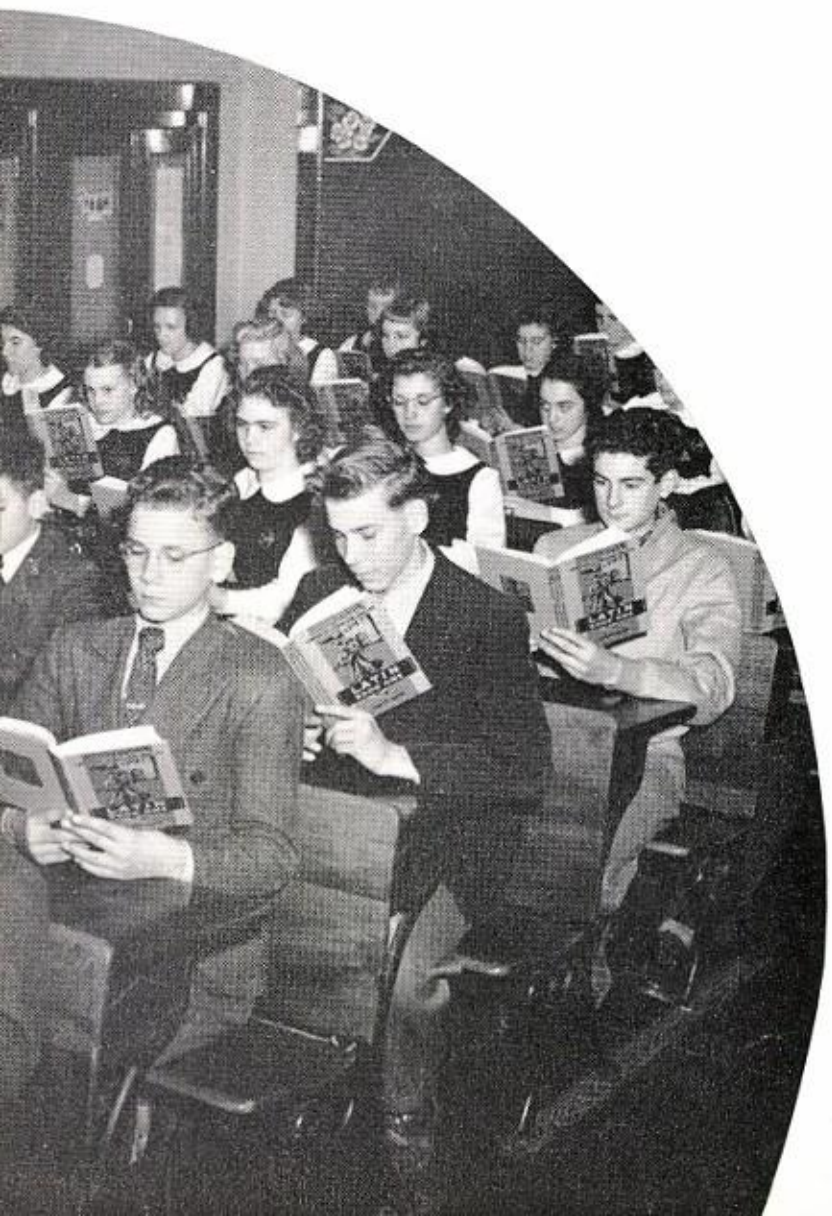
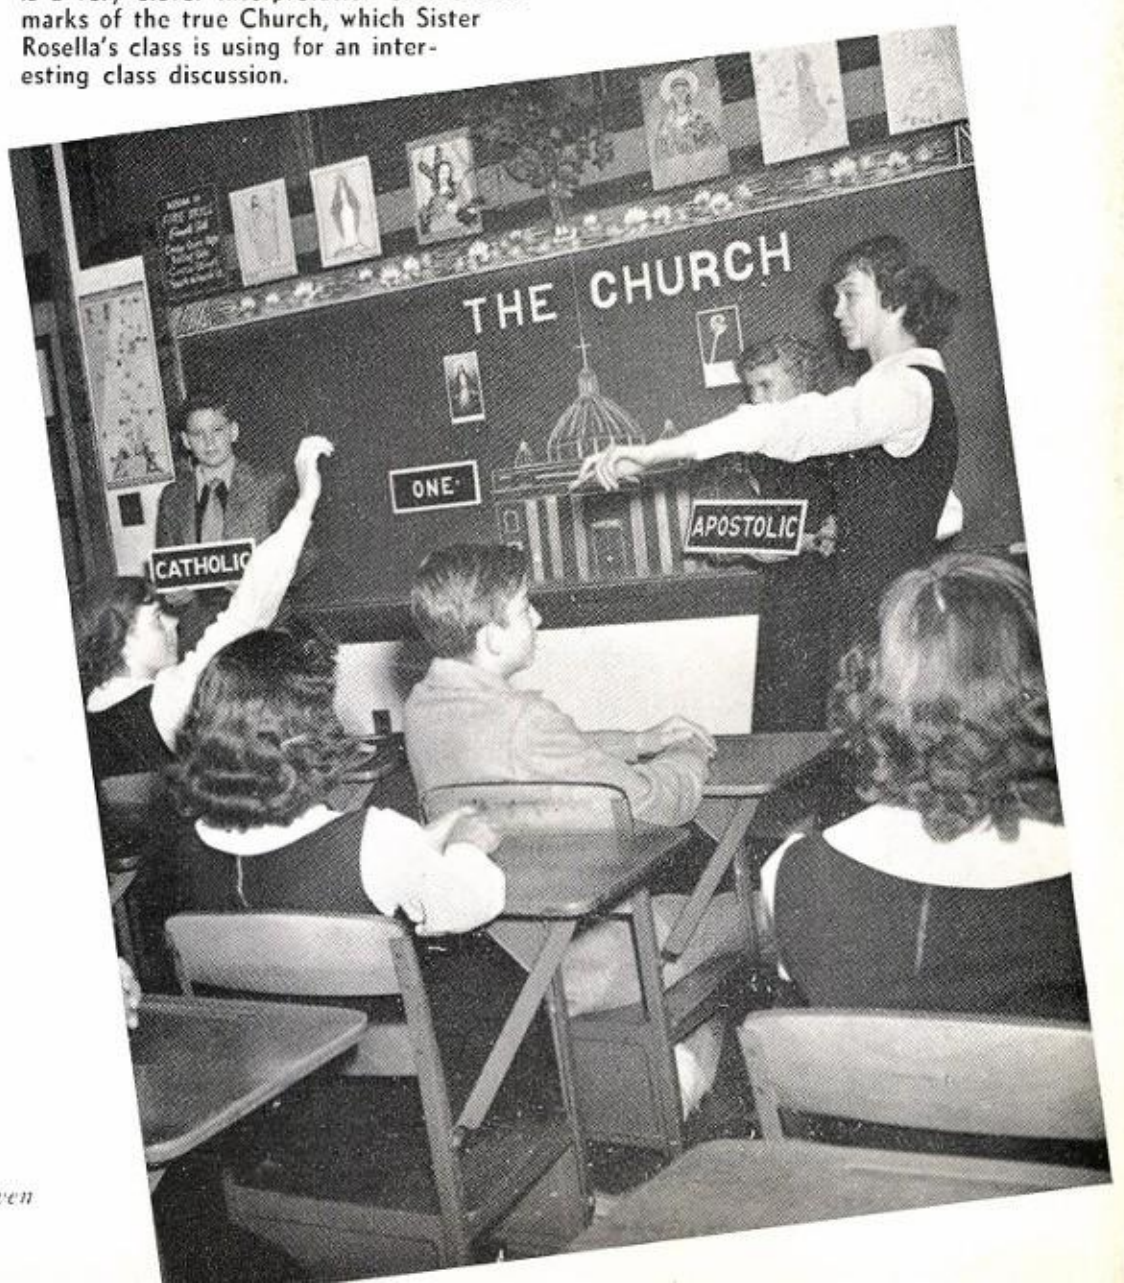
Freshman Latin students proudly displaying their text books, and awaiting an opportunity to show you how well they read and translate the language, with just a little help from Sister Agnes Francis. This is one of the five Latin I classes.



Although lettering isn't as easy as it looks, these freshman art students have made attractive posters illustrating the Roman alphabet. They are aiming for membership in Sister Ursulina's Art Club. Freshman art classes meet twice a week.

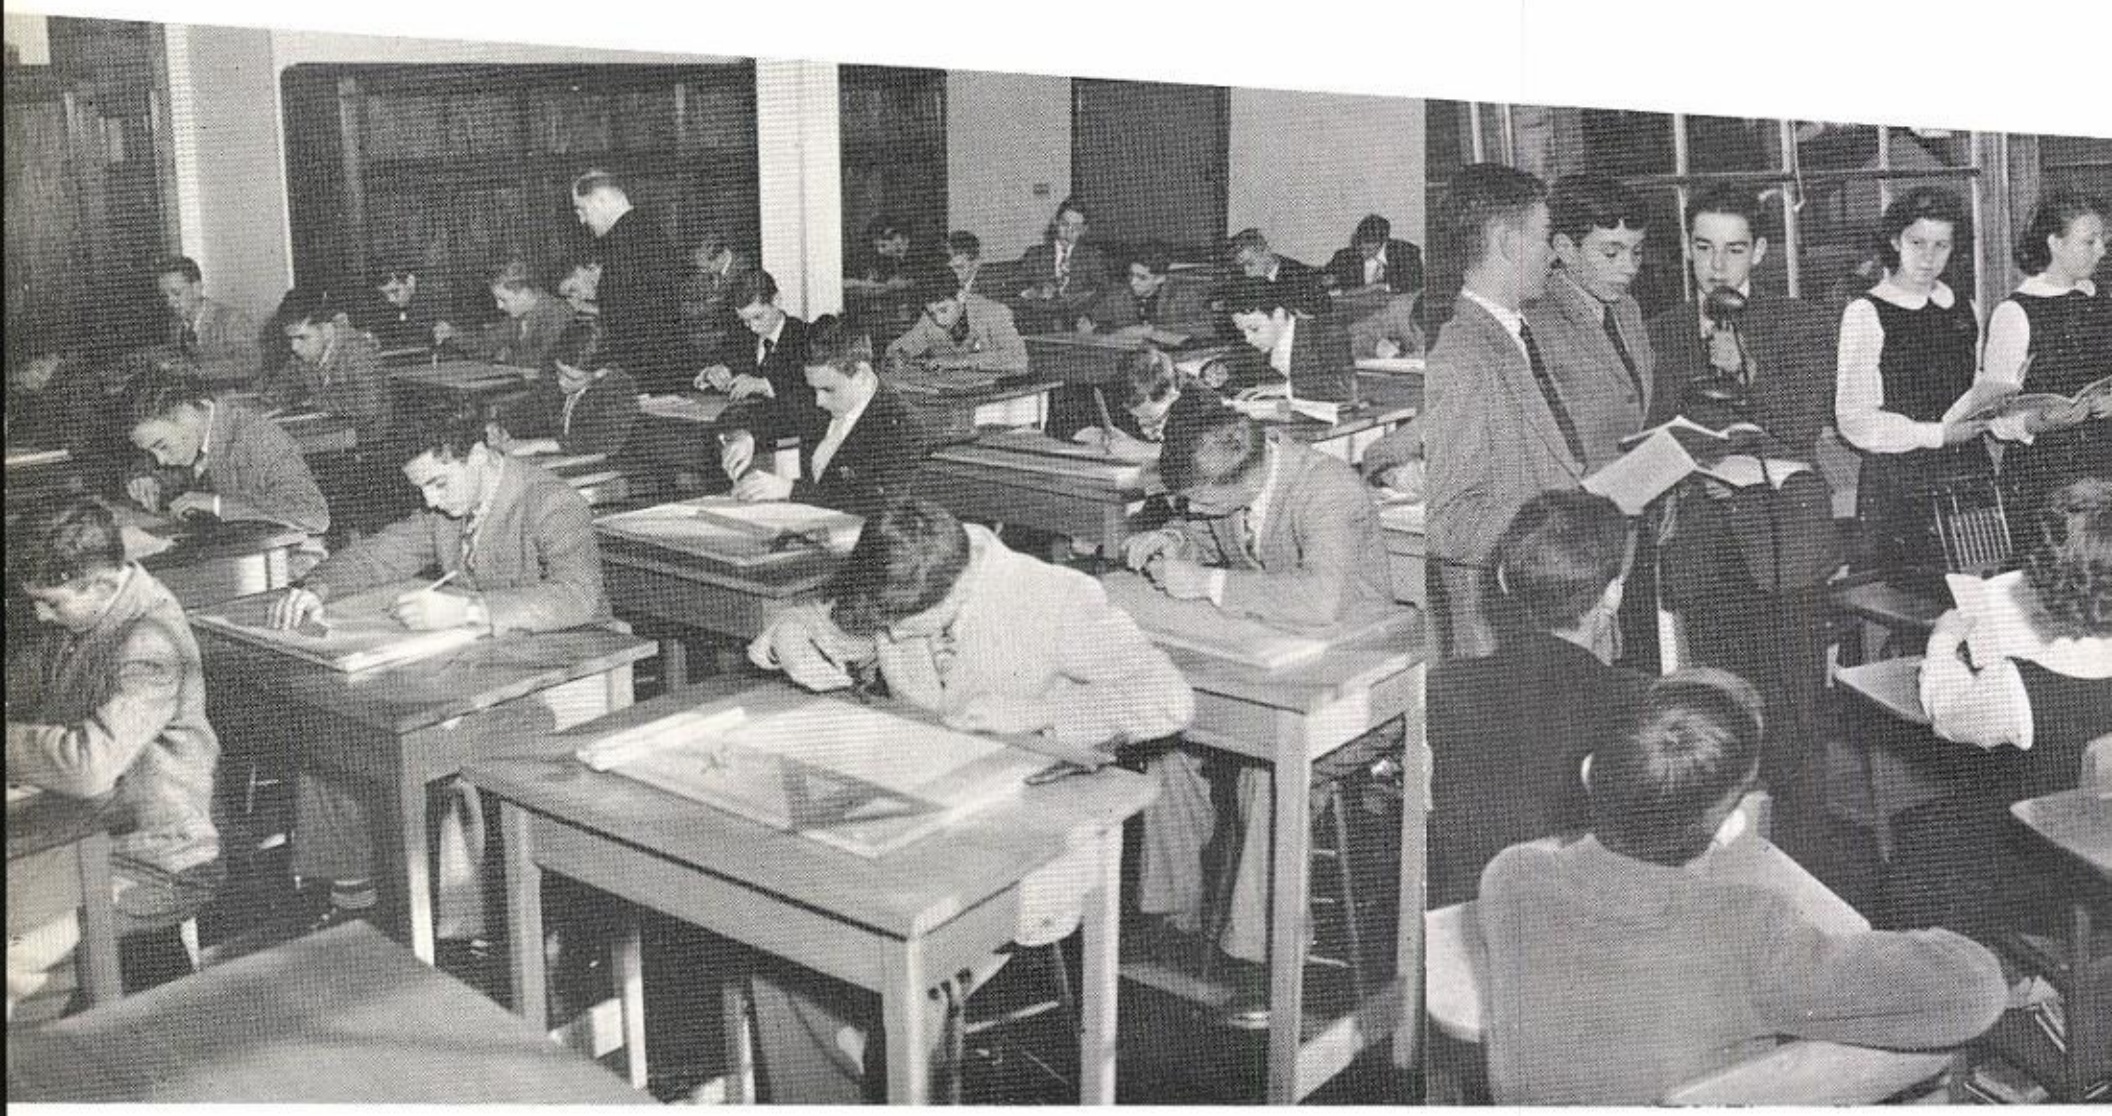


Our talented freshman artists use their skill in making posters for the Religion classes. Here is a very clever interpretation of the four marks of the true Church, which Sister Rosella's class is using for an interesting class discussion.



## Freshman Representatives

Thomas Huber  Edith Vandegrift  Peter Ebner  Cynthia Marsden  James Strobel



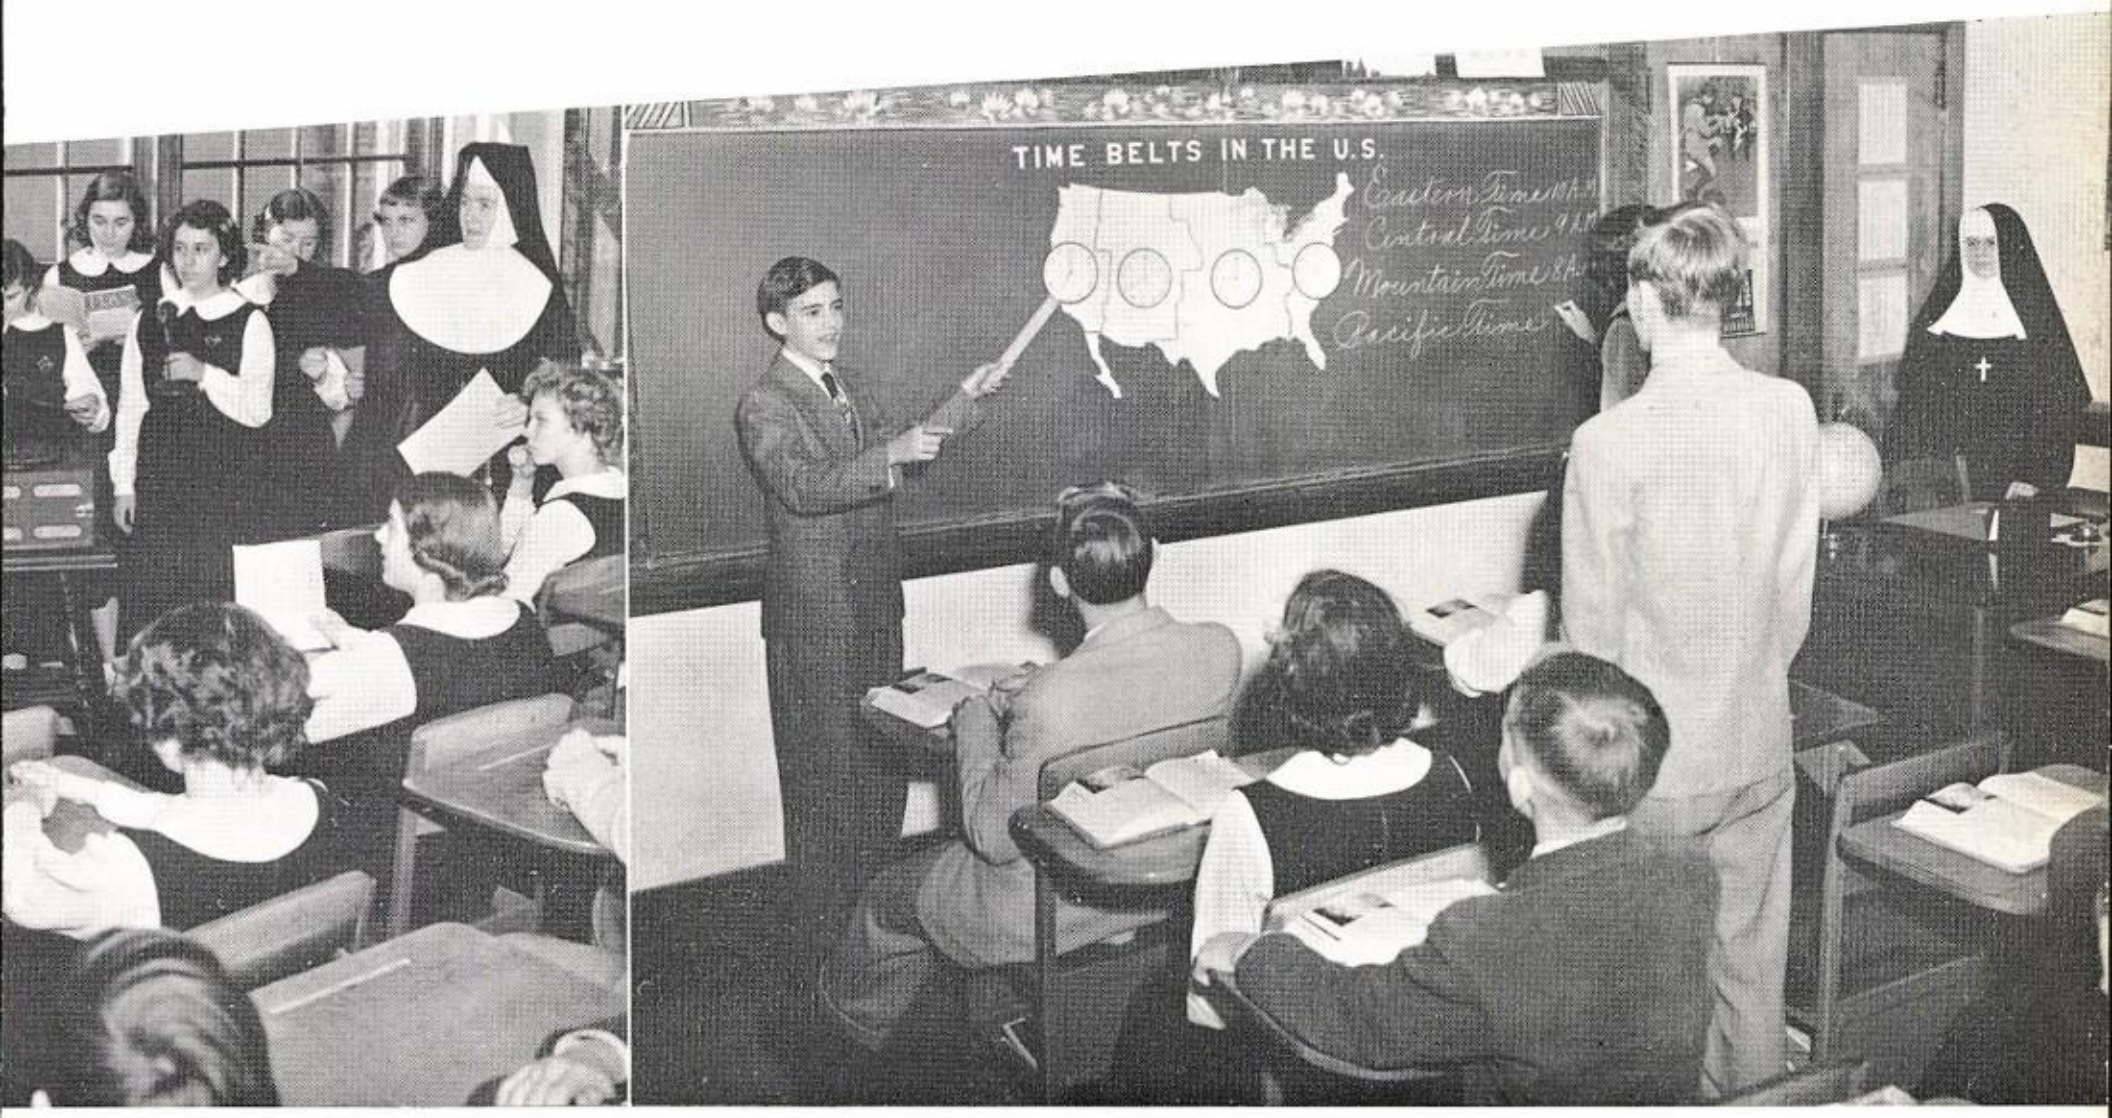
Being technically inclined, the boys demonstrate their skill in Mechanical Drawing, and the making and reading of Blue Prints. Two periods a week are devoted to this subject. The Mechanical Drawing Room is large and spacious, equipped with fifty individual tables made in our Industrial Arts shop by the boys enrolled in this course. The Freshman boys pictured above are getting individual attention from Father Hoffner, since there are so many new skills to be acquired in learning this art.

(Center)

Speech! Speech! and more Speech! How those freshmen enjoy learning the art of public speaking. Sister Eileen's speech classes meet one period a week and devote their time to corrective work, and various other phases of public speaking. One of the interesting features of the work is pictured above — the use of the recording machine. The anxiety and interest registered on their faces, gives evidence of the thrill provided by this type of speech activity. It is in these speech classes that the foundation is laid for the annual senior Oratorical Contest, for the twenty-five dollar cash award, which is offered each year by the Lions Club.

## Freshman Class Officers

Bernadette Haggerty  Joseph Winkelbauer  Clare Dugan  John Lener  Dolores Stano



We now introduce to you Sister Mary Rosella and her freshman scientists, who are enrolled in the General Science Course. Their interest in the subject is evident in the picture above, when the photographer finds them engaged in studying the United States Time Belts. If the enthusiasm and interest displayed in the preparation of their classroom experiments and demonstrations is indicative of their success in the study of science, then we can look forward to future Edisons, Mendels, and Pasteurs emanating from the class of 1953. The charts and projects which were on display at the Open House demonstration during the month of February, give further proof of their scientific ability.

## *Embark On Their High School Career*

# With a Varied Program

(Circle) Mathematics teachers in the making! Sister Clavera uses this method in her Algebra I Class to establish skills, and to give the students an opportunity to display their mathematical aptitude and interest. Since a mathematical background is essential to so many fields of endeavor, Algebra I becomes a "must" for all ninth grade students. They are given an opportunity to continue their study of mathematics in any of the five courses of studies offered by the school.

(Right) Traveling around the world has always been considered adventuresome, so our freshmen play the role of adventurers as they make their imaginary trip through their World History Book — "Christianity and Civilization." It never becomes monotonous, for each day, Sister Eileen takes her class to a different country where they meet new people and learn their customs. "World Week," a magazine of current world news, supplements the material studied in the text.

(Top) Recruits wanted! Our freshman boys and girls answer the call, as they prepare to become musicians for the band, orchestra, or glee club. They are quite enthusiastic, and Sister Marita Cecilia and Mr. Fink look forward to a bigger and better spring musicale. Music classes are conducted once a week, and instrumental practices are scheduled for those ninth grade pupils who have expressed their desire to play a musical instrument.

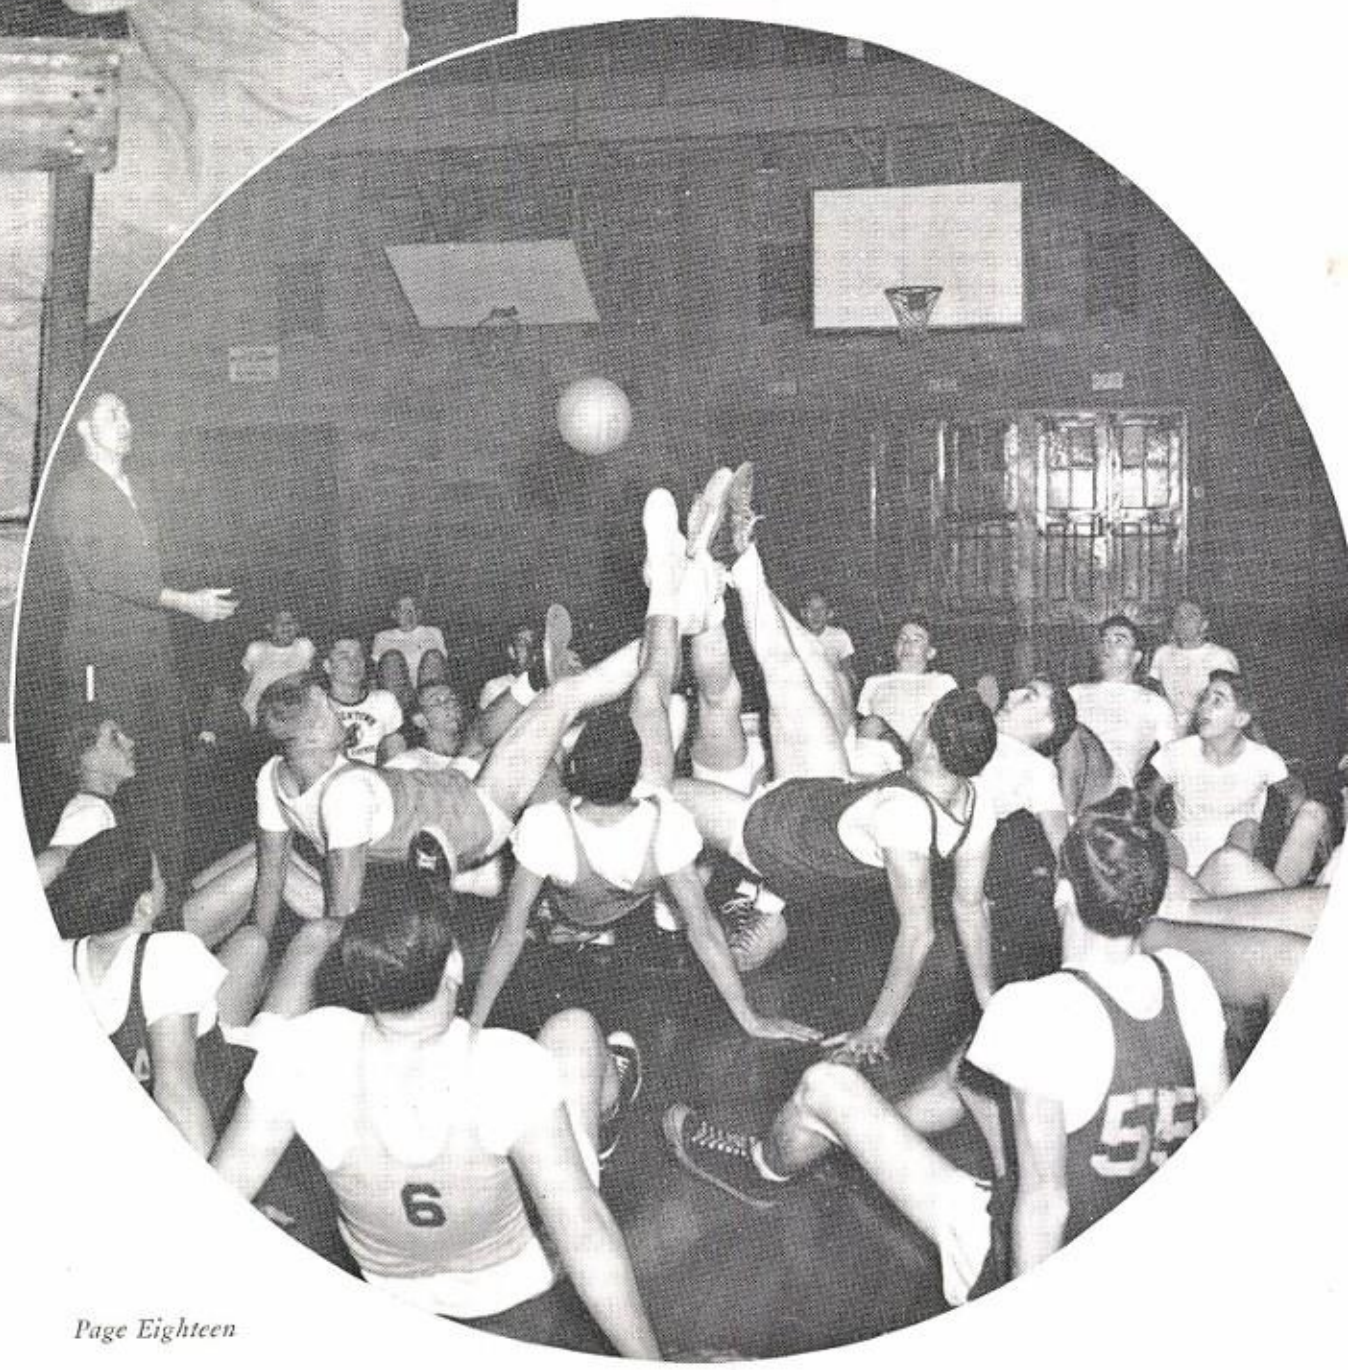
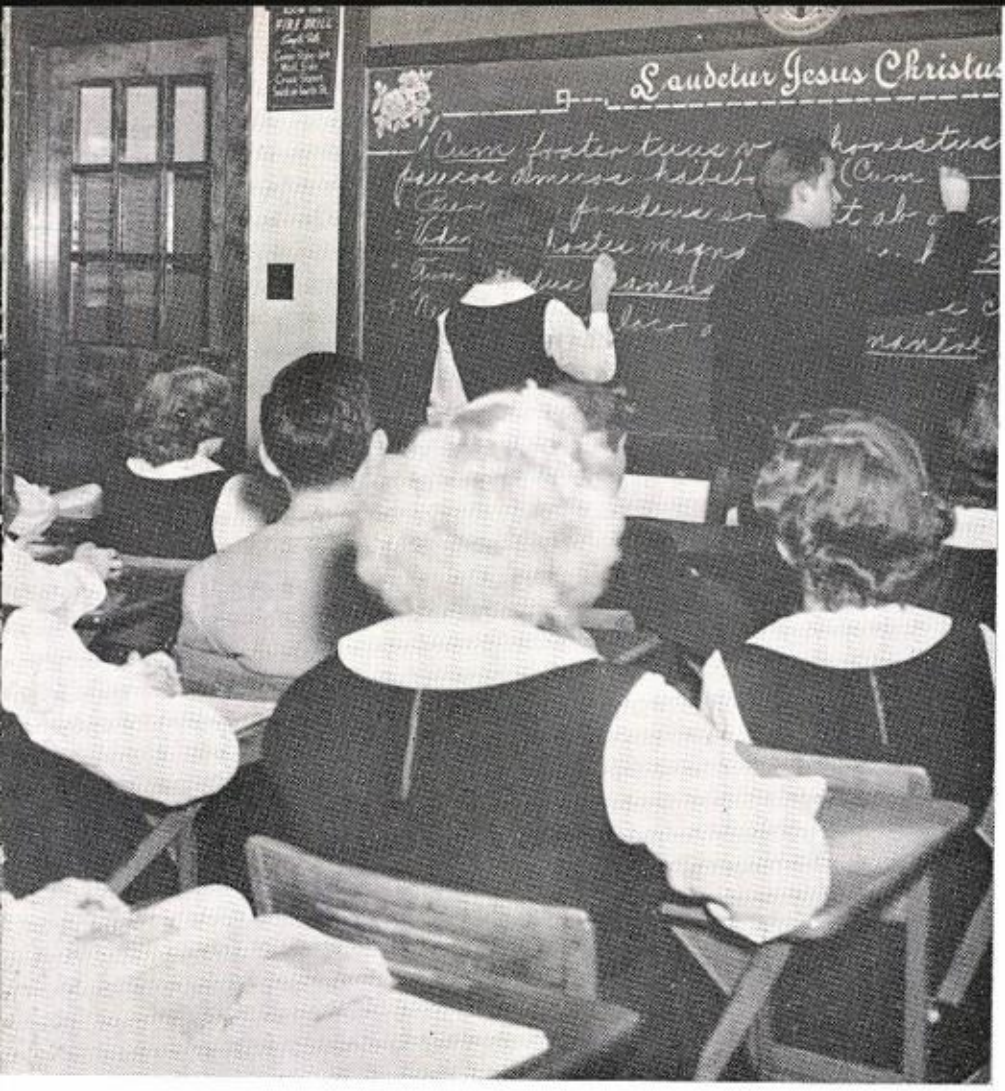
# To New Fields of Endeavor



Eleven bells, and lun. .me for the sophomores. Not a minute is wasted. It is the one period of the day, when sophomores need no reminder about being on time, at change of classes. Pleasant conversation with a tasty lunch, makes the half hour pass very quickly.

In the circle to the right is a typical gym class for boys in Rockne Hall. Mr. Hambor is teaching Crab Soccer to a class of seventy-two boys.



Back again to the study of Latin, but this time we are on the march with the sophomores as they study Caesar's Gallic Wars. Sister Clement Marie resorts to blackboard work for drilling on the grammatical constructions and translations in this advanced work.

The sophomore girls Home Economics class learn the fundamentals of good housekeeping. These attractive Christmas projects are indicative of their keen interest in the work. They spend six hours each week in the Home Economics Laboratory, where, under the direction of Sister Mechtild, they become skilled workers. In the junior and senior years they will take advanced cooking and sewing.

(Right)
The second step toward the study of higher mathematics takes us into the field of Plane Geometry. Many sophomores enjoy this type of mathematical reasoning, since it has so many direct applications to design and architecture. Construction work is one of the many interesting phases of the subject, and leads to a better understanding of solid geometry in the senior year.

## *Gaining New Experience*

A visit to the Biology Laboratory on Open House Day, would have convinced anyone how well the sophomore Biology classes concentrated on the development of plant life. No phase of the work was omitted.

Here in the regular class periods, they studied the roots, seeds and spores under the microscope, constructed charts and diagrams, and then planted the seed and studied its development. Proudly they displayed their plants in the various stages of growth, and demonstrated how vegetable plants could be used to beautify the home. The hours of preparation were well spent.

Many of these students are members of the Biology Club, under the direction of Sister Constantia. They are preparing to give a demonstration of Blood Typing at the Science Fair, which will be held on April 21, at Northampton High School, Northampton, Pennsylvania.

*In Scientific Knowledge and Social Appeal*

There is no period of the day (excluding lunch )that is enjoyed more than the Gym Classes, which are held twice a week. However, there is a good reason for it, since there is plenty of activity and interest created by the large variety of competitive games, intramural sports – (basketball, volleyball, baseball), dancing, marching drills, setting-up exercises, parallel bars, tumbling, etc.

Each year, at Open House, boys and girls have an opportunity to show their parents and friends, the type of gymnastics learned during their regular gym periods. This year, more than 3500 people attended the exhibition.

Hygiene classes – one period a week – supplement the work of the physical education department, and students learn the art of keeping physically fit.

Mr. Joseph Krajsa, head of the physical education department, is assisted by Mr. James Hambor in carrying out the program for boys, while Miss Mary Snyder conducts the girls' classes. Boys' gym classes are conducted in Rockne Hall, and the Masson Auditorium is used for girls.

Sophomores feel quite important at the time of the Harvest Dance, since they play host to over six hundred guests in Rockne Hall. The Committee members are anxiously checking the returns as they are posted each morning. Sophomore sections vie with other homeroom sections to hold the first place in this activity.

To the left, we find Miss Snyder's girls giving a demonstration of setting-up exercises, which usually precede other activities during the gym period.

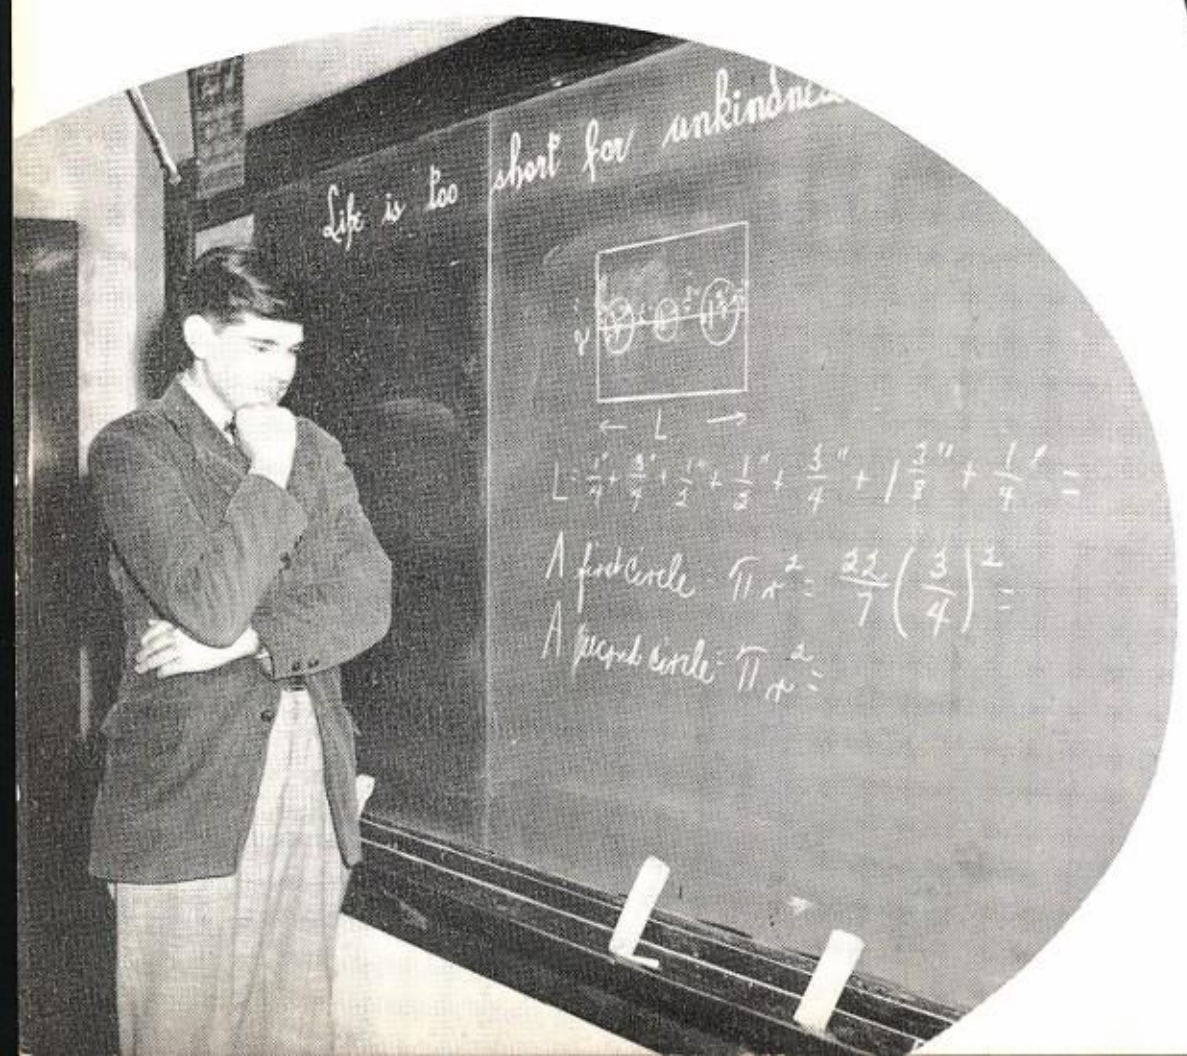
## Junior Class Officers

In junior religion classes, emphasis is placed on the study of our duties toward God, our neighbor, and ourselves. Father Dougherty's class is one of the six junior religion classes.

English and American History are required majors for all eleventh grade students. American History classes provide ample opportunity for good, heated class discussions.

Here, above, is an example of one of these in session, and the forty-five minutes of class time pass all too quickly. Sister Bartholomew, S.S.J., and Sister Alma Patricia, S.S.J., teach United States History to the juniors.

(Circle) Junior typists, under the direction of Sister Patricia Anne, learn the correct way to insert the paper into the typewriter. It must be done with speed and precision. These boys and girls are enrolled in the regular commercial course, and are preparing to use this skill in some job after graduation.



Findinng the area of a circle apparently has proved a real problem to the General Math pupil, Richard Solker.

General Math is taught in the eleventh grade, in preparation for General Physics.

Algebra II and Physics are offered to the Academic juniors who are mathematically or scientifically inclined. It forms the ground-work for the engineering and medical professions. Sister Christopher is in charge of this physics class.

Algebra II is taught by Sister Magdalen, who believes in displaying the excellent math booklets made by the students.

The Radio technician course, offered to the senior boys in Industrial Arts, is a laboratory course during which they learn the fundamentals of building radios. Their work begins with simple detectors and amplifiers, and ends with the superheterodyne unit. Here they are pictured during their regular laboratory period. Two periods a week are devoted to theory.

Chemistry is an elective major for twelfth grade academic students. Here is one of the four chemistry classes conducted by Sister Mary Ludolphus, O.S.F., experimenting with water to determine its properties. Three other classes in Chemistry are taught by Sister Mary Christopher, O.S.F., who is also Moderator of the Alphychem Club, a science club which meets regularly every two weeks. Its members are also preparing to take part in the Science Fair to be held at Northampton High School this spring.

# As Students . . .

Sister Joseph Bernard, S.S.J., used every possible means to keep the seniors in the Problems of Democracy class abreast with the times — "America," "The Catholic World," "News Week," "Time," the daily newspaper, and other sources of current events which mold public opinion. To the left is a typical National Problems class in session, where the New York Herald Tribune furnishes the material for class discussions on the Taft-Hartley Bill.

In the "I Speak for Democracy" contest, a nation-wide project sponsored by the Allentown Junior Chamber of Commerce on November 9, two CCHS girls, Joan Horvath and Margaret Beltzner were awarded second and third honors respectively.

Below: LANGUAGES — German and French

"One language, one man; two languages, two men" — so goes the old saying, as seniors, juniors, and sophomores engage in the study of Modern Languages. After the study of grammatical constructions, conversational French and German are emphasized, since the aim of the course is to enable the student to read and converse fluently.

A very interesting project is being carried out by the French class in the picture below. Menus, which have been brought from France by some of our GI's are posted, and students are learning to order their meal in French.

As for the German students below, we find them engrossed in reading, translating, and grammatical constructions.

Language clubs prepare the students for college entrance examinations, by concentrating on more advanced work in either French or German.

Senior Representatives — Dorothy Lipovsky, Edward Yohe, Mary McFadden, Joseph Nagy, Marie Bock

With the end of the first semester not far distant, the Home Economics class directed by Sister Mechtild, is aiming to finish their projects, which will be modeled before their parents and friends on the night of January 26, at the eighth annual Fashion Show. This is real open house for this department, for, after the Fashion Show, the girls serve a luncheon to their parents in the Foods Laboratory.

Sewing is taught during the first semester of the school year.

Putting knowledge into practice by using miniature filing equipment, are these Office practice students Louis McDonald, Philip Lucas, Lois Seng, Louise Romig, Dolores Quigley.

Stenography, Typing, Office Practice, Business Law, Retail Selling, Bookkeeping, and Business Arithmetic are offered to students of the eleventh and twelfth grades who are enrolled in the Commercial Course here at school. The department is well equipped with typewriters, calculators, dictaphone, electric mimeograph, bookkeeping machines, and filing equipment.

In the upper-left hand picture, we see a senior stenography class in progress under the direction of Sister Jutta.

Below it we have another aspect of the Office Practice course — the acquaintanceship with the business machines used in modern offices. Here John Nauroth, Mary Ellen Casey, Rosalia Baumgartner and Vincent Herman try their skill at the adding machines.

Above we note the Business Law students proudly displaying posters showing the essential elements of a binding contract. This subject is a major topic covered in the one-semester course, which is followed by a half year of Retail Selling.

# *In Industry*

Senior boys enrolled in the Industrial Arts Course have had three years of training in Wood Shop, and have to a certain extent, mastered the fundamentals. Eight periods a week are spent in the shop, and two periods are devoted to Blue Print Reading. Mechanical Drawing was required in the first three years of the course.

The shop is well equipped with such power tools as the circular saw, jig saw, band saw, planer, jointer, shaper, lathe and drill press, and the hand tools commonly found in a woodworker's shop. In most cases individual instructions in the use of these tools is given to the boys.

Many useful and attractive pieces of furniture are made for the home, and placed on display during the Open House exhibit. Proud parents bring their friends to see the work of their future cabinet-maker, carpenter, or builder.

To the left, we find John Spiegel, Eugene Yura, and Robert O'Brien using a brace and bit to drill a hole through the pin.

Robert Ring demonstrates to Joseph Brunovsky and Rudolph Keglovitz the art of cutting curves on a jig saw.

# *Music Appreciation*

The aim of the Music Course in Central Catholic High School is to open the field of music study to all students. It includes:

General Music – given to all Freshmen once a week.

Orchestra – Practice is held twice a week. The Orchestra plays for assemblies, Senior Play, Musicale, Christmas Show, Fashion Show, and Graduation.

Band – has three practices a week. They play for football and basketball games, Christmas Show, Musicale, and for assemblies.

Glee Club – meets sectionally until rehearsals for Christmas Show and Musicale begin. Ensembles taken from the Glee Club perform for assemblies.

Choir – has two practices a week and sings for all High Masses and Baccalaureate Mass.

Tonettes – have practice once a week. They are recognized as the school's public relation group.

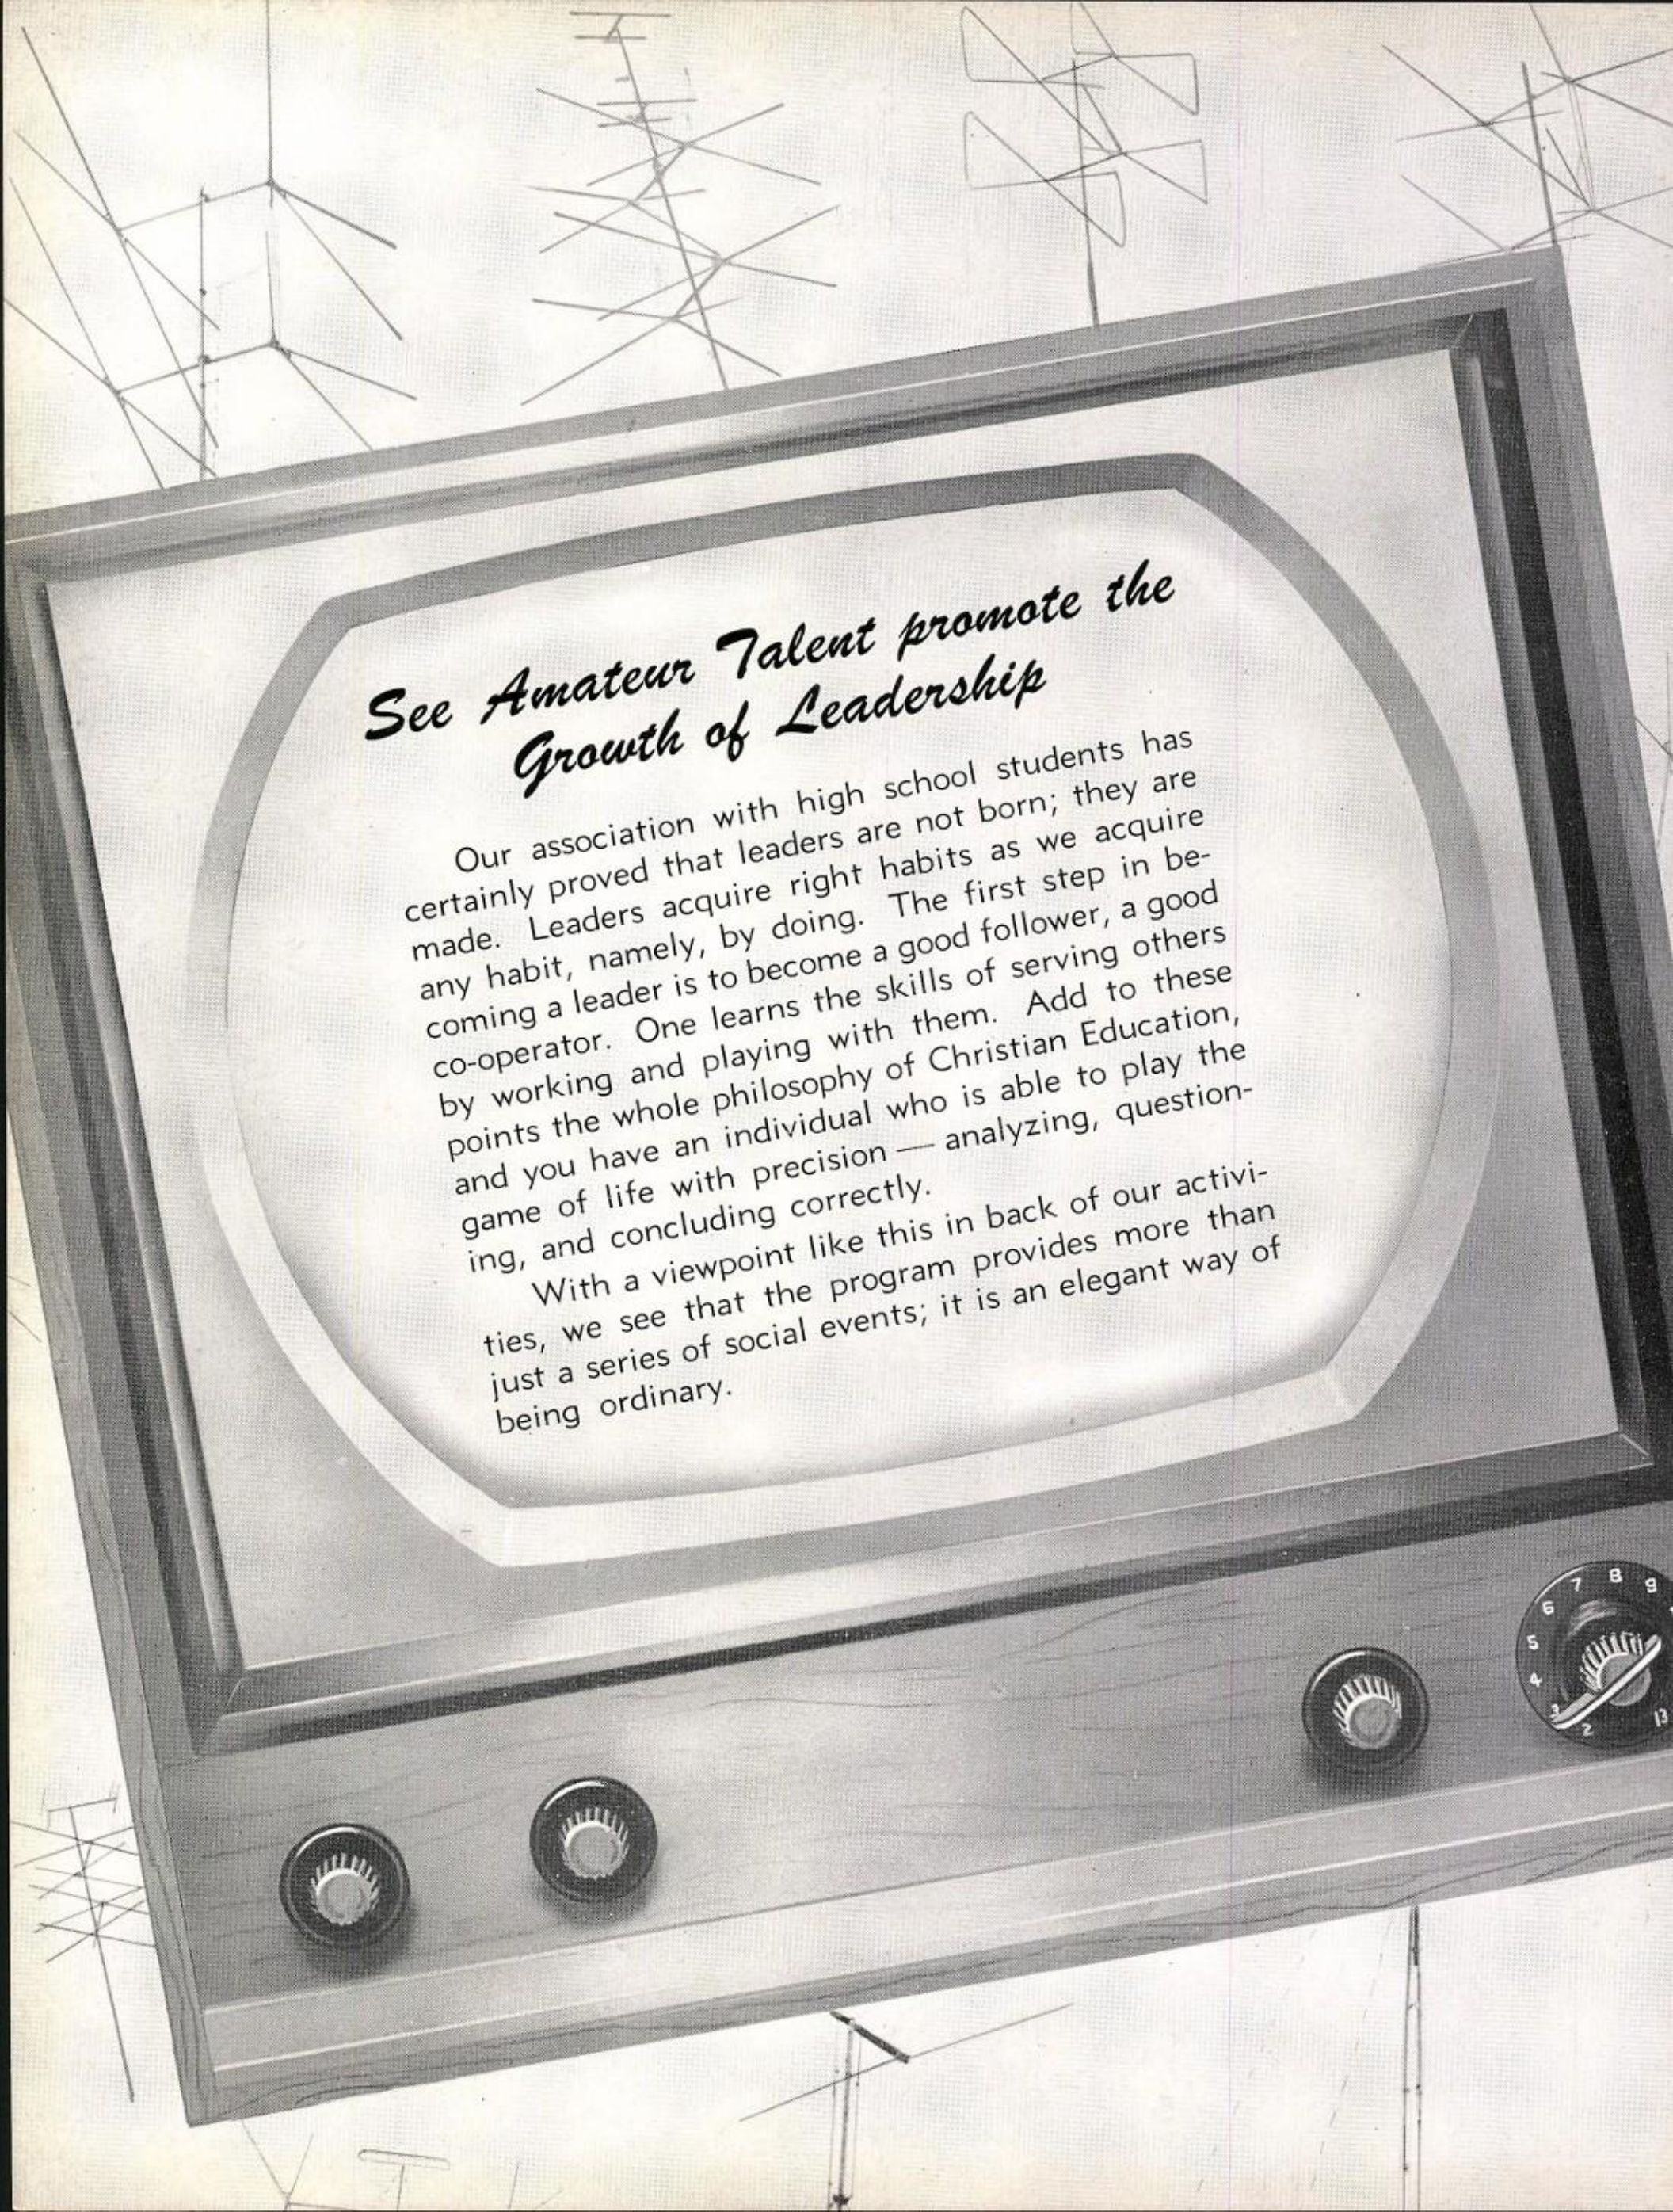
# A Source of Information



# See Amateur Talent promote the Growth of Leadership

Our association with high school students has certainly proved that leaders are not born; they are made. Leaders acquire right habits as we acquire any habit, namely, by doing. The first step in becoming a leader is to become a good follower, a good co-operator. One learns the skills of serving others by working and playing with them. Add to these points the whole philosophy of Christian Education, and you have an individual who is able to play the game of life with precision — analyzing, questioning, and concluding correctly.

With a viewpoint like this in back of our activities, we see that the program provides more than just a series of social events; it is an elegant way of being ordinary.

Seated around the table are Irene Strobel, Regina Kloiber, Nancy Shada, Sister Mary Eufrida, O.S.F., Faculty Adviser, Helen Pfneisel, Editor, Kathryn Holly, and Thomas Magill. Membership on the staff is by faculty choice, based on ability and service.

That Student Government is a reality at CCHS was i
evidence September 29, when formal installation exercise
took place in Rockne Hall.

To highlight the occasion the Honorable James C
Lanshe, prominent Catholic Allentown lawyer, address
ed the students. Right use of freedom and respect fo
authority were the dominant ideas which pervaded hi
talk.

The Reverend Henry J. Huesman received th
pledges of the Central Committee and encouraged
enthusiasm in school undertakings. After the officer
were officially inducted, each in turn spoke to the
assembly and assisted in the ceremony.

Francis Kropf, president, administered the
pledge of office to the student council and
homeroom officers and reminded the newly
installed leaders of their obligations.

Council members include seniors — M
Beltzner, M. Buck, J. Dutko, J. Gottfried

J. Grey, A. Heidenwolf, K. Klementovich, S. Klose,
C. Mizgerd, M. Schellenberg, J. Schiavone, B. Wisser.
Juniors – A. Barkocy, L. Camp, J. Finizza, R. Kloiber.
E. Koncz, M. Laky, A. Lichman, J. Polaha, D. Sullivan,
J. Weber. Sophomores – R. Atkins, G. McFadden, P.
Quinn, J. Trinkle.

Regina Weber, vice-president, explained the aims and purposes of the organization after which Madeline Amici, secretary, solicited the students' cooperation and pronounced the pledge with the entire student body.

Frederick Utsch, treasurer, introduced the leaders of the numerous activities and wished them success in their endeavors.

Processional and recessional selections, the National Anthem and school song were offered by the orchestra, directed by Joseph Fink. John Gottfried acted as master of ceremonies.

Student government activities are guided by Sister Patricia Anne, O.S.F.

# Clubs

Top row (left to right)

The primary purpose of the Camera Club is to acquaint those interested with procedure and methods of developing and printing their own pictures. This is done every Thursday, by the Camera Club, under the direction of Fr. Scherf.

Membership in the Dramatic Club is open to all students interested in stage productions. Meetings are held every Monday afternoon. Students are taught self-expression and poise on the stage. Sr. M. Eileen, S.S.J., is the Faculty Moderator.

The Biology Club was organized for Sophomores who wish to advance themselves in the field of biological research. Meetings are held every Monday afternoon with Sr. Constantia as faculty adviser.

Catholic Action embraces a program in which each individual Catholic aims to win his own little world for Christ, through prayer, good example, and a zealous participation in the active lay apostolate. Father Hoffner and Sister Borgia are faculty moderators.

Projects, conventions, experiments, . . . The purpose of the Science Club is to prepare Catholic students to become leaders in science and to give them an opportunity to work on projects of their own liking. The second and fourth Mondays of each month find Sister Christopher just as intrigued over some current experiment as her group of juniors and seniors.

Every activity in the school that involves the sale of tickets finds Sister Ludolphus, O.S.F., and her organization with a special job on their hands of distributing tickets and collecting the financial returns.

## *Fashion Show*

Right out of Vogue stepped the CCHS lassies of the Home Economics Department, when they modeled their own creations at the Eighth Annual Fashion Show, on January 25, and 26.

*Top (left to right):* This full ballerina jumper, modeled by Theresa Miller, is just the thing for an afternoon stroll. We don't have to describe our "Little Charmer's" jumper, for one glance tells us how proud she is to model it.

"You certainly cannot afford to be anything but lovely on that special evening out," say Theresa Miller and Kathleen McFadden who have chosen heavenly blue for their gowns. Taking the stage also are our tiny tots, Joanne Sagle, and Eileen Moser, modeling their party dresses. The two commentators — Kathryn Klementovich and Eleanor Klase are posed with them.

Jennie Schiavone and Hilda Oswald in their youthful looking suits show us how to go to town looking smart, but comfortable — smart enough to stop shopping for afternoon tea.

Cozy as a kitten does Eleanor Stinner feel in this snow white swing-back housecoat.

*Bottom (left to right):* Keeping up-to-date, and still youthful is Joan Peste, Angela Tapler in their attractive westkit, and Marie Hammel in her perfect jumper of light brown corduroy.

Let's take a look at Mary Brauchle, Adele Schlosser, and Germaine Lambert in their charming cottons, ideal for afternoon wear.

Going travelling? You'll love this crisp hand-washable classic that Antoinette Walters models, and the trim and girlish little charmer sported by Nancy Ann Toth.

## THE LITTLEST ANGEL

Once upon a time, there lived in Paradise, a thoroughly miserable and utterly dejected cherub who was known throughout Heaven as "The Littlest Angel."

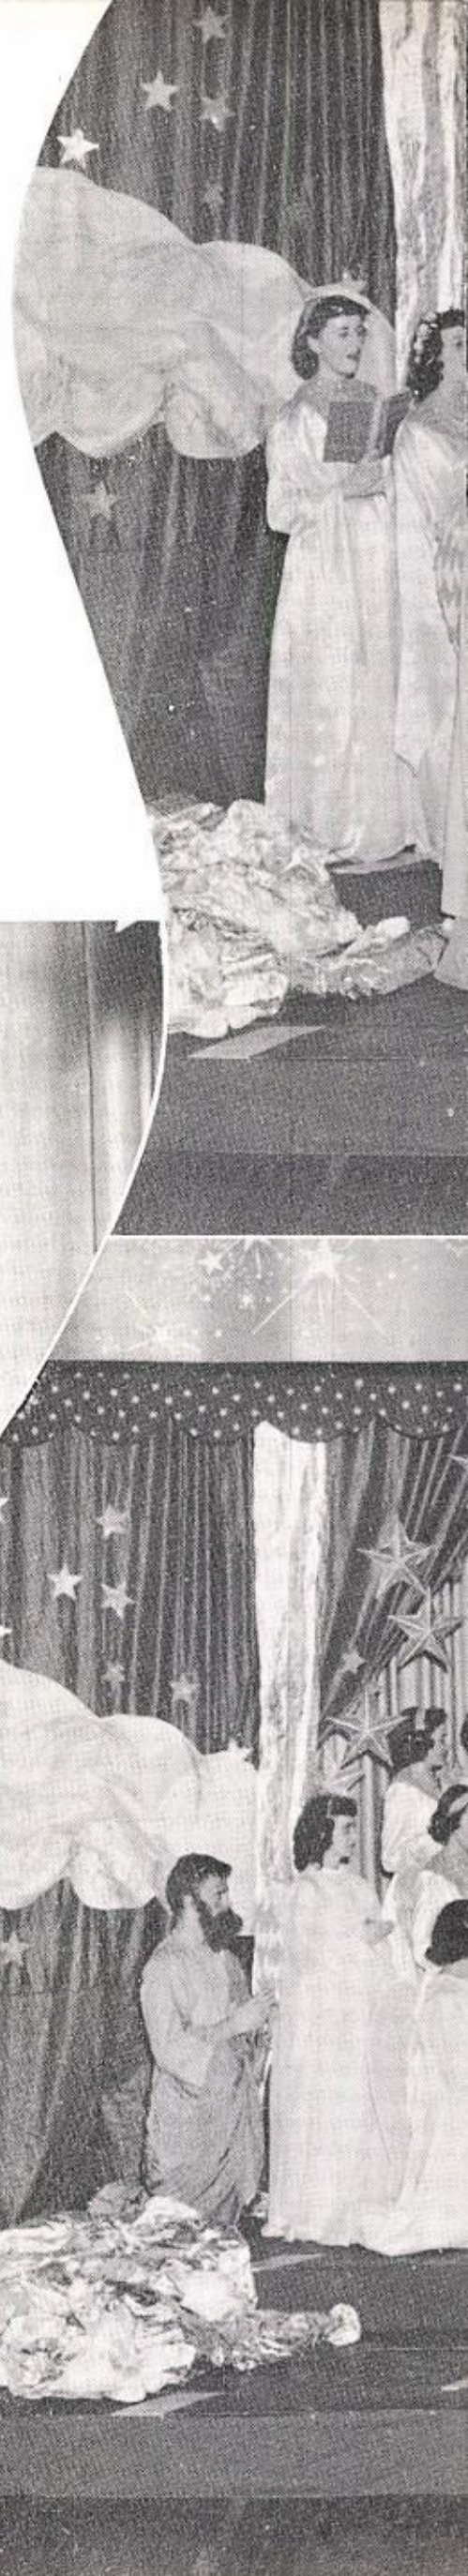
Thus the story of the little unhappy angel opens, and as the tale unfolds we watch this littlest angel getting into all kinds of trouble in the celestial city. He finds a friend in the Understanding Angel who made the little fellow happy by getting for him his box of toys hidden under his earthly bed.

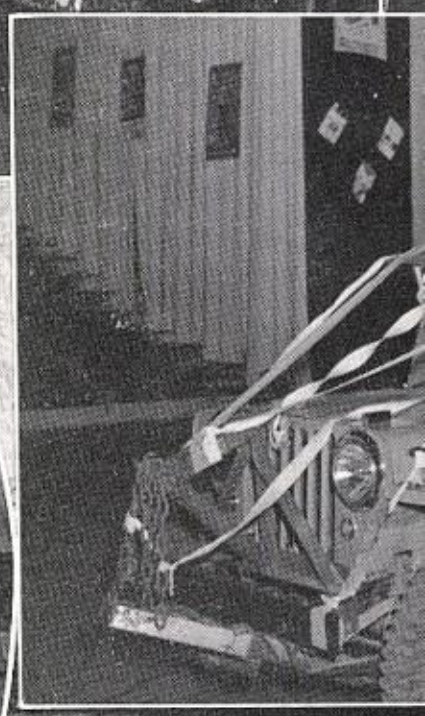
One day, the Littlest Angel noticed all the people of Paradise preparing presents for the birthday of a King. After much thought, the Littlest Angel decided to sacrifice his precious box filled with a butterfly, and a dog collar. This thought made him wildly happy and he became a general nuisance.

When the big day arrived, the Littlest Angel saw his shabby box among all the beautiful shiny presents, and he suddenly felt ashamed. He began to cry wildly when suddenly through his tears, he heard the Voice of the Heavenly Father ring throughout heaven.

"This little box pleases Me most because it is filled with the earthly things which My Son will know and love."

When the Littlest Angel looked up, he saw his little box, brilliantly aglow, rise and settle over the cave where the Son of Man was born.





# *The Annual Minstrel*

CCHS, which has built up an artistic reputation for its musical productions, turned up another delightful minstrel, built on the theme, "Far Away Places," November 1, 2, 3.

More than 450 mixed voices of boys and girls formed the chorus, and sang rhythmic tunes in keeping with the theme. The imaginary hum of United Airline planes conveyed the audiences to lands beyond the seas, where passengers viewed skits and dances, depicting tradition and customs of peoples met while traveling.

This was the seventeenth annual Minstrel in the history of the school.

# Band

The Band of Central Catholic High School is under the direction of Joseph L. Fink. Practice is held three times a week for the entire band and three times for sectional work. The Band plays for all football and basketball games; the Christmas Play and the annual Musicale. Members of the tenth, eleventh, and twelfth grades are eligible for the Music Emblem Award on fulfilling the conditions attending the award.

Many of the boys and girls received their first musical instructions when they came to Central Catholic as freshmen. They practice diligently during their study periods, and anxiously look forward to the day when they are permitted to wear the green and gold uniforms, and form a part of the marching band, of which Central Catholic is always justly proud.

# Junior Prom Night

Autumn tints bring Prom hints to the upperclassmen at CCHS, when the Junior class played host to the Seniors and the Alumni at the Annual Junior Prom, Wednesday, November 23, in the school auditorium. Matt Gillespie and his orchestra provided the music for the dancing from 9 to 12 midnight.

The committee members John Behum, Michael Foley, William Kirk, John Mulqueen, John Polaha, Joseph Tercha, Lois Camp, Juvonne Finizza, Regina Kloiber, Adele Pammer, Irene Strobel and Nancy Ann Toth succeeded in making it a memorable night for the one hundred twenty couples who attended the dance.

The Masson Auditorium was beautifully decorated in blue and white, the junior class colors.

"No, No, Jenny, don't squizzle and squirm; I'll smear my neat little job" — pleads Owen (John Gottfried). Michael's face registers shocked amazement.

Above: (Joseph Keenan) — in the role of Father Moynihan, pastor of St. Matthew's Rectory.

Below: (Lenore O'Neill) as Father Moynihan's housekeeper.

# The Senior Class Play

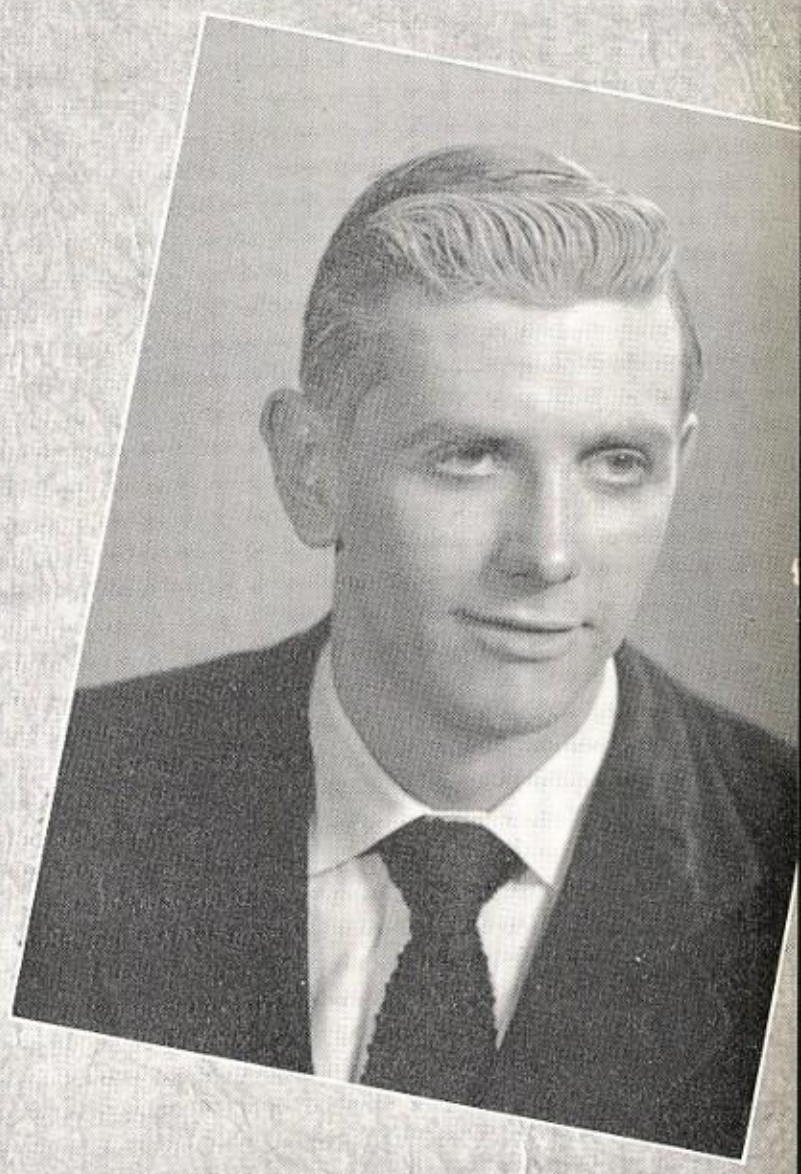
Take one tactless Father Moynihan, add naive Jenny (still with her country freshness), don't forget the "thirty-four year old adolescent," Michael, who is in love with her, add a spice of the cajoling Mrs. Deazy, let the ten of the supporting cast be just the last few ingredients. Now mix the batter with a unique Broadway hit; bake slowly with amusing cynical humor, and decorate the finished product with the crowning achievement — superb acting, and you have a dramatic production which has won the heart of CCHS theater-going patrons — Jean Kerr's heart warming comedy

"JENNY KISSED ME"
directed by Reverend John V. McKlindon
and presented by the Senior Class
February 7 and 8.

The Story — When Mrs. Deazy, the elderly, scheming housekeeper at St. Matthew's, first suggests the one-month visit of her orphaned niece, Jenny, to the rectory, Father Moynihan vehemently attempts to halt the plan. After Mrs. Deazy's threats to resign, and the unexpected arrival of Jenny, complete with guppies and encyclopedias, Father reluctantly permits Jenny to remain — the visiting period now increased to two months.

Jenny, with her naive ways and country freshness, proves quite a perplexing problem to Father Moynihan. But, after much deliberation and many objections from Michael, who thinks Jenny should remain a sweet, unspoiled child, Father cooks up a scheme to turn Jenny into a "siren," and marry her off to some twenty-year-old jive lover. Presto! he will be rid of her. But it does not prove as easy as it sounds, and Father Moynihan's headaches are just beginning.

Not only does his plan back-fire, but Michael falls in love with Jenny. When Michael and Jenny ask Father's blessing on their prospective marriage, and Mr. Parkside assumes an indignant air at the planned marriage of his son and Jenny, Father finds himself at a loss for words. It is only at this point that Father realizes how he has bungled things, and grants permission for Jenny and Michael's marriage, hoping then to settle down once more to a quiet rectory life.



Below: Philip Lucas takes the part of Michael Saunders.

Below: Marjorie Schellenberg portrayed as Jennie.

Below (right)—"Jenny cannot come," are the emphatic words of Father Moynihan (J. Keenan), as he shows Mrs. Deazy (L. O'Neill) the five little chits (l. to r.) Mary Delaney (C. Mizgerd), Harry (D. Dilcher), Jo (M. Mink), Jane (V. Solomon), Priscilla (M. Wolf), who use mascara and smoke cigarettes. Michael (P. Incas), tries to calm Father in his hour of distress.

The May Queen and her attendants.

The entire student body and faculty of CCHS participated in the annual May Day celebration, which was highlighted by the crowning of our Blessed Mother.

Amelia Becker was elected May Queen by the girls of the senior class. Her attendants were Agnes Janenko and Lucy Pagano, who were also the choice of their classmates.

The ceremony closed with Benediction of the Most Blessed Sacrament.

Flag bearers Leo Rheiner, school president, and Eugene Drauch, Catholic Action chairman, head the recessional as they leave the Sacred Heart Church.

Devout clients of our Blessed Lady, offer hymns and prayers in her honor during the solemn Benediction of the Most Blessed Sacrament.

# Spring Music Festival

A capacity audience at the three nights' performances of the Spring Musicale – May 10, 11, 12 – was given a huge picture of enthusiastic young musicians and singers, against a background of palms and flowers. The sixty-piece symphonic band was dressed in summer evening dresses, and the white coats of the boys blended with the shades of the girls' gowns. Behind them was the large glee club and choruses flooded with colored lights.

A program of considerable variety and taste, was provided by more than three hundred students in the orchestra, band, glee club, boys and girls choruses, the verse speaking choir, and the tonettes.

The program was climaxed by songs and scenes from Romberg's, "The Student Prince," with Lois Schenk as narrator. Albert Heidenwolf took the part of the prince, while Hilda Schaffer was "Kathie," and Melvin Buck, the innkeeper.

# 1949 Football Season

### CCHS 19 — PITTSTON 6

Traveling to Pittston, the Vikings opened their 1949 campaign with a 19-6 decision over St. John's on September 9. Melvin Buck and Bob Issermoyer scored touchdowns on line plays, and Dick Gaal counted on a long aerial from Jimmy Stehlin. Don Guman converted an extra point after the first score.

### CCHS 6 — POTTSVILLE 20

The inability to hold the ball during the first half, cost the Vikings their first loss of the season 20-6 to Pottsville High School on September 16. The Green and Gold's lone score came late in the fourth period, when Bernie McGarr scored on a pass thrown by Jim Stehlin.

### CCHS 0 — HAZLETON 12

Costly penalties and some speedy Hazleton backs defeated the Vikings, September 30, at Hazleton. Early in the game, Jim Stehlin ran 63 yards for an apparent score, but it was nullified by a clipping penalty. CCHS did not threaten again until late in the fourth period, when a fumble stopped a drive on the Hazleton 15 yard line.

### CCHS 0 — EASTON 19

A hot autumn afternoon took its toll of the Vikings on October 6, as Easton went on to a 19-0 victory at Cottingham Stadium in Easton. The Vikings only scoring threats were stalled by fumbles deep in Easton territory. This game marked the first use of girl cheerleaders at a football game in the history of Central Catholic.

### CCHS 20 — HARRISBURG CATHOLIC 14

The Vikings opened their home season October 15, with a 20-14 triumph over Harrisburg Catholic. With about one minute to play the Vikings recorded the deciding score on a special pass play going from Jim Stehlin to Bernie McGaar to Mel Buck, who went over for the T.D. Earlier in the game, Walt Yaros had scored on a 72 yard run and Don Sullivan had counted in a 5 yard linebuck. Ed Kacsur was given credit for a safety on the game's opening kickoff.

### CCHS 26 — MT. CARMEL 6

Held to a 7-6 halftime advantage, the Green and Gold came roaring back to trounce Mt. Carmel Catholic 26-6, October 30, at Muhlenberg Field. The Viking scoring came as a result of a varied offense. Don Sullivan scored CCHS's only T.D. in the half, on a lineplay with Jim Stehlin passing to McGaar for the extra point. Picking up steam in the final periods, Jim Stehlin opened up as his passing set up 3 scores. Walt Yaros scored from the two, and McGarr converted for the extra point. The final two scores came on passes from Stehlin to McGarr and Stupak.

### CCHS 6 — STEVENS TRADE 6

Coming from behind in the second half, the Green and Gold tied the highly favored Stevens Trade of Lancaster 6-6 at Muhlenberg on October 22. Driving hard with the second half kickoff, the Vikings scored in nine plays to tie the score. Jim Stehlin passed to Dick Gaal for the touchdown. Stevens Trade's touchdown came at the end of the first period on a long pass.

### CCHS 7 — BETHLEHEM 19

Playing their final contest of the 1949 season, the Vikings lost to Bethlehem High in a rugged contest 19-7, at Liberty High School Stadium, on November 14. Led by Len Capuano, who scored all three Bethlehem touchdowns, the Hurricanes dominated play in the first three periods. The lone Green and Gold tally came in the fourth quarter, as Stehlin's passes led the way to the 2 yard line, from which point Sullivan went over. McGaar converted the extra point. Eighteen seniors had played their final game for CCHS.

# Season's Summary

Despite a graduation-riddled squad, the 49-50 edition of the Green and Gold basketeers was still able to upset the intentions of twelve opponents, while losing to fourteen. With only three lettermen reporting for the first practice, Coach Joe Krajsa and his new assistant Jim Hambor, were faced with a serious rebuilding program. Emerging as the stellar performer was Captain Lou Gerancher who led the team in scoring with 337 points. He also finished second to Hazleton's Don Keuch in the East Penn League scoring race. Gerancher, as well as Bobby Feiertag, a junior, was selected on the East Penn League All-Star team. Senior John Spiegel received recognition by being placed on the second team of the East Penn selections. The 49-50 Viking schedule was one of the most difficult ever faced in their history, as they encountered a championship team almost every time they stepped on the court. CCHS's league record was an even four and four won and lost count.

The Vikings demonstrated their lack of early season practice by dropping their first four contests. Among these were a 34-28 defeat by Parkland, a tight 57-54 loss to the Alumni, and a trip to the nation's capital where the Green and Gold lost to Armstrong Tech 72-51. In this contest, the Vikings set two records; they were, a 25 point scoring mark by Lou Gerancher; a record for the Temple Arena, and it was also the first high school game in Washington to be televised. The day after this game, CCHS lost to a rangy La Salle outfit 55-47.

Emmaus High was the victim of the CCHS wrath, as the Vikings finally notched their first win, 53-37. However, this did not turn out to be a good omen, as the Burrs of West Catholic took the measure of the Vikings 50-38. Whitehall's Zephyrs then spoiled a Green and Gold Christmas, by administering a 53-36 trimming on December 23.

### Invitation Tournament

During the Christmas holidays, the Vikings faced the task of defending the LV Tournament crown. CCHS opened with a 61-43 win over Coplay, but were forced to take a back seat to Whitehall in the semi-final 53-46. Viking fans saved some joy, as the Green and Gold basketeers subdued Bethlehem in the consolation game 63-57.

Resuming the regular schedule, the Vikings engaged Armstrong Tech in a return match in Rockne Hall. The result was a thrilling 55-51 overtime triumph for the Negro National champs. Next on the Agenda was the opening of East Penn League hostilities with Bethlehem. The Krajsa-men won this encounter by a 70-55 margin. Three successive league contests then followed with the Vikings losing two, with only a 46-41 victory over Pottsville to balance a 56-49 loss to Hazleton, and a defeat at the hands of Easton's Red Rovers. Bethlehem Catholic's Brown and Gold then crossed the river to receive a 70-37 beating. Two newcomers then occupied the CCHS attention as the Vikings lost a 59-56 squeaker to St. Benedict's of Newark, and trimmed St. Gabriel's of Hazleton 63-28. Following this triumph, the Vikings reeled off four straight wins. Included in these were three league wins. A record check reveals a 72-63 win over Bethlehem, 50-48 conquest of Brown Prep, a 60-51 decision over Easton, and in the final game of the set the Vikings reached their highest point production of the season by hammering Pottsville 74-53.

Approximately 4000 fans jammed Rockne Hall to see the Green and Gold come to grips with Hazleton's Mountaineers, in the last league contest. With the second half East Penn League title at stake, the lads from the coal region walked off the floor with a 62-54 victory. In the Whitehall game, the CCHS quintet made a valiant effort to overcome a disastrous first quarter, but fell two points short of their goal, as they dropped a torrid 56-54 contest to Bob Steckel's squad. Closing out the regular season on a happy note the Green and Golders swamped Lower Merion by a 71-37 count.

Entering the PCIAA state playoffs, the Vikings met CCHS of Reading at the Allentown High Palestra. The Green and Gold were unable to penetrate a tight zone defense, and lost the concluding game of the season 67-47.

# The

The 49-50 debut of the CCHS lassies was spoiled by an alert Fountain Hill squad, as they administered a 29-27 defeat. This, however, did not in any way discourage the Vikettes, as they proceeded to rip off two quick decisions. They tumbled Moravian Prep 59-22, and an Alumnae sextet 33-19. In their next outing, the Lassies were the victims of a slick Emmaus High outfit, losing by a 42-30 score. Following this, the Vikettes reached their highest point output of the season, as Moravian Prep was again subdued 61-19. A streak of seven wins followed this sparkling triumph. First on the list was a tight 35-34 conquest of the Villa Maria Academy. The Bethlehem Business College became the next victim, as they suffered a 55-33 defeat. Phillipsburg Catholic failed to stop the high-flying Vikettes, and fell by a 43-22 count. Still maintaining their torrid pace, the CCHS maids defeated Whitehall and Bethlehem Catholic in quick succession, by scores of 50-37, and 32-28 respectively. Miss Snyder's charges avenged an earlier loss by squeaking past Fountain Hill 15-13. P-burg Catholic made the game tighter in their return game, but were nevertheless outclassed 46-41. The Vikettes were unable to recover the ground lost in the early part of the contest, and they dropped their next game to Reading Catholic 36-23. Perseverance was rewarded in the following clash, as the Green and Gold girls nosed out an undefeated Emmaus sextet 38-36. Three more victories were nailed to the staff in the next few days as the Vikettes defeated Whitehall 36-30, Bethlehem Catholic 31-19, and Reading Catholic 49-17 in quick succession. The CCHS lassies were handed their fourth and final defeat by a powerful Hallahan High team, by the score of 46-23. Easily defeating the Bethlehem Business College, the Vikettes closed the season on a happy note, as the final score read 45-29 in their favor.

With a nucleus of four lettermen returning Coach Joe Krajsa surveyed the 70 candidates who reported for the first practice. Finally narrowing the group to about 20, he launched the squad on a twelve game schedule which included a night game with Allentown High, and other East Penn League contests.

Opening the campaign on April 12, the Vikings lost a hot duel to Emmaus 5-4, but bounced back to trip Parkland by an identical score in the next contest. In their initial league game, the CCHS nine was defeated soundly by Bethlehem, to the tune of 13-5. Squaring their league record, the Krajsa-men stopped Easton 6-2, with soph Steve Chanitz tossing a six-hitter. The dominance of Reading over the Green and Gold continued, as the Red Knights trounced the Vikings 8-1 in a league game. Easton's Red Rovers spiked a late CCHS rally, and nipped the Vikings 5-4, as the Green and Gold dropped into a tie with the Red Rovers, for the bottom of the East Penn League.

The rain stopped long enough for the Vikings to play their game with Allentown. The Canaries took up where the rain left off, by deluging the Green and Gold under an 11 run barrage. Final score read AHS 11, CCHS 7. The Vikings almost righted their waning fortunes in the next contest, but they dropped a tight 1-0 decision to Bethlehem. A nightmarish debacle followed this, as the Green and Gold committed 17 errors in handing a 16-0 triumph to the Red Knights of Reading.

In the last league game of the season, the Vikings battered three Canary hurlers for 16 hits, to defeat Allentown High 8-5 in their next outing. Dick Gaal was the winning hurler, allowing only four hits over the nine inning route.

# See the Final Product Accept the Challenge

The culmination of this training is reached at the commencement exercises in June, symbolized in the diploma. Central Catholic hopes that it has succeeded in the development of the "whole" man, for it has presented opportunities and encouraged their realization, throughout the four years of high school life.

With the closing words of the Valedictory, the challenge is accepted —

"We have worked together, played together, and prayed together. Everything we have done has been directed by the moral guidance of religion. The lesson of the motto—'for God, Country, and CCHS' has been taught; it is up to us to live the deeply supernaturalized and intelligent life of the truly 'whole man'."

# Graduation

The processional of 231 black capped-and-gowned seniors was the beginning of the 20th annual commencement exercises at 3:00 p.m. in Rockne Hall, on June 12.

Included in the graduating class were students from 32 parishes of the Lehigh Valley. They had been enrolled in the school's five courses – academic, 99; commercial, 69; general, 21; home ecomonics, 15; industrial, 27.

The principal speaker was James B. Gallagher, Esq., prominent lawyer and Catholic layman, well known for his interest in the Malvern Retreat movement.

Annamarie Troccola, with a general average of 93.54, and Francis Pihoker, 92.12, highest girl and boy graduate were valedictorian and salutatorian respectively.

The Rt. Rev. Msgr. Leo G. Fink, director of CCHS, presented a diploma to Leo Rheiner, school president, on behalf of the graduates. Students who attained highest averages in major studies, and those who did outstanding work in the various activities received awards.

The CCHS band, under the direction of Joseph Fink, played the processional and recessional, and several selected numbers.

More than three thousand parents and friends were present for the occasion.

# The Alumni Reunion

At the Communion Breakfast, on Sunday, May 29, 232 graduates were inducted into the Alumni Association. For the third year, Reverend Henry J. Huesman, principal, and Reverend Harry G. Hynes, vice-principal, presented the two awards — one to the alumnus who has been judged most successful in his or her chosen field of endeavor, and the other to one who has led an exemplary life as a practical Catholic.

Norman Hyland, '34, was the recipient of the Semper Fidelis medal, and Mr. Stuart Eckert, a convert to the Catholic faith, the Fides et Veritas award. Americo V. Cortese, assistant district attorney of Philadelphia, was the guest speaker for the occasion.

Three hundred fifty alumni members, and the entire faculty were present.

Walter Fandl, 36, acted as chairman and master of ceremonies. Entertainment was provided by the "Variety Kids," with Paul Fink at the piano. Joseph Fink directed the community singing.

Americo V. Cortese, the main speaker for the occasion, greets the newly elected president—Walter Fandl.

Distinguished guests at the Alumni Breakfast seated at the guest table with the Principal, Rev. Henry J. Huesman and the officers of the Alumni Association.

Father Huesman, principal, extends congratulations to the award winners — Helen Kaintz Tate, Paul Fink, Norman Hyland, and Stuart Eckert. Joseph Recapito and William Halzer were not present for the occasion.

Below (left)—Officers of the Alumni Association—Dr. Joseph Dougherty 37, vice-president; Catherine Stehlin '43, secretary; and Kathryn Green '47, treasurer.

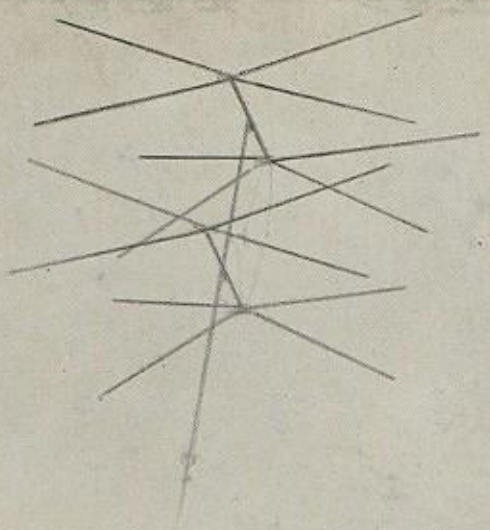
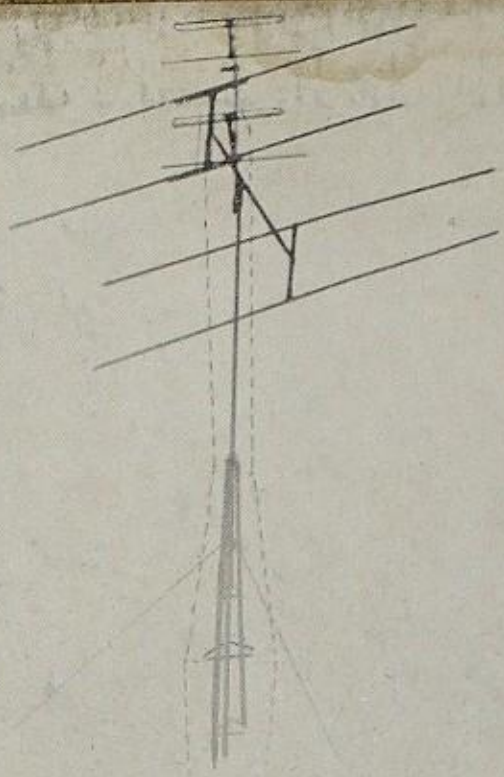
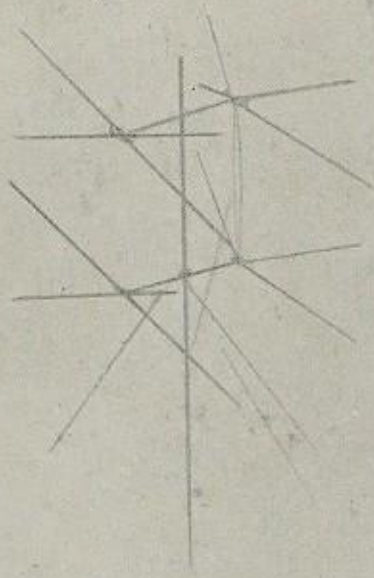
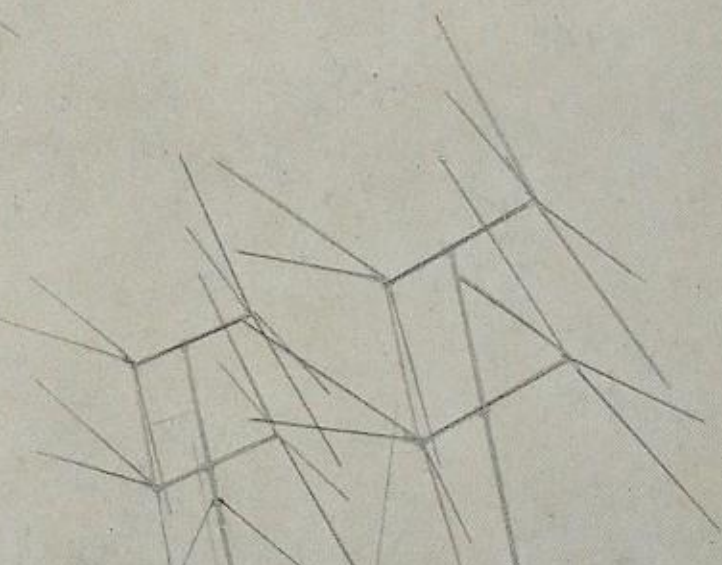
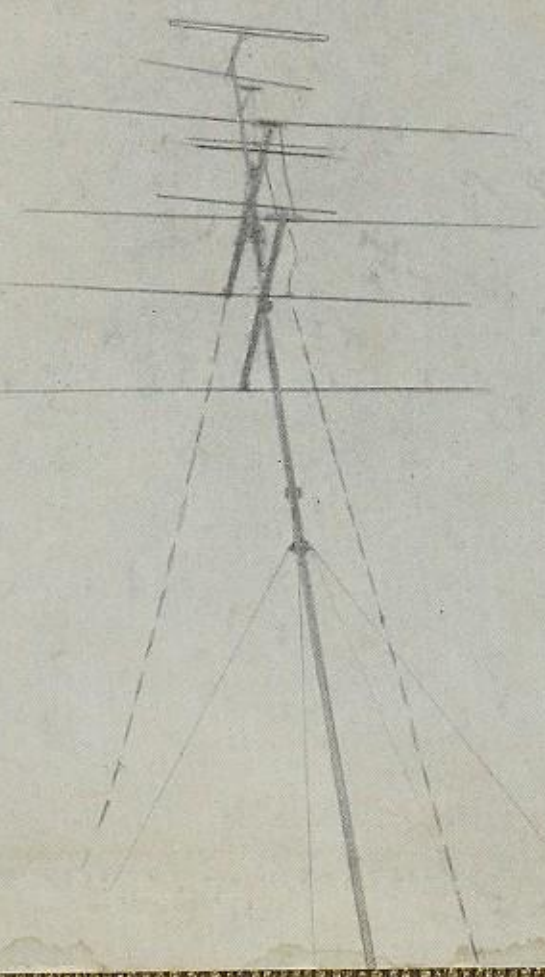
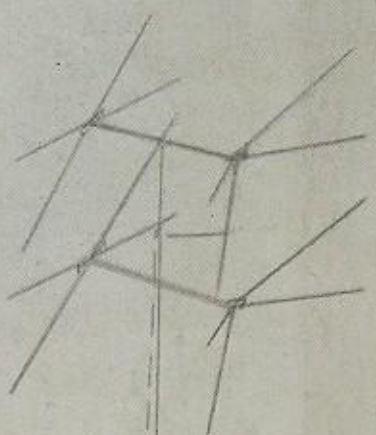
## *Where a Promising Future Beckons*












With the end of an era of preparation, comes the beginning, the poising of ourselves for the step that is to carry us into a challenging future. If we exemplify in our lives a sound Catholic educational background, moral courage, a well-founded trust in God, then the coming years will prove that Central Catholic shall not have worked in vain.
